+ PROFESSIONAL HIGHLIGHTS

I have designed production systems for chainwide rollout across 1600 stores.

I saved Chick-fil-A *millions* of dollars through workflow improvements.

I am a firm believer in collective success.

I have spoken to multiple groups about LEAN and keys to Kaizen and continuous improvement, including Boeing, Metalsa, UK Healthcare and others

I built a coffee roaster from random parts and Goodwill Store appliances

I designed a food menu around Fancy Grilled Cheese Sandwiches
